## ACADEMIC SCHOLARSHIP

On behalf of my late father, Mr. Ravi Shankar, the founder of Zenith International School, I would like to express our heartfelt gratitude to all the parents who have entrusted their children's education to us for over a decade. Zenith International School, the first international school in Seremban, has been dedicated to fostering a global community, transforming lives, and striving for excellence in both academics and sports.

Throughout the 2023-2024 academic year, we hope you have noticed significant improvements. We are committed to continuing this progress, and have implemented several new policies, automated systems, and updated our curriculum structure to ensure that our students receive the best possible international education.

As part of our new management initiatives, we are excited to announce the launch of the ZIS Academic Scholarship, which is mainly under the care Ravi Shankar Education Trust. This scholarship is made available for the 2024-2025 academic year (please see details below).

We hope the ZIS Academic Scholarship Programme will bring joy to eligible students and their families. This scholarship represents our sincere appreciation for the dedication of deserving scholars and the unwavering support of our parents. Together, we will continue to enhance the lives of the children at Zenith International School

Thank you

Yours sincerely

---
