MESSAGE FROM OUR EXECUTIVE PRINCIPAL **DR INDERJEET SINGH SIDHU**

Dear Zenith Community,

Welcome back to school as we begin Term 3 of the 2024/2025 academic year. I hope all our students, parents, and staff had a restful and rejuvenating break. Let us carry forward the good spirit and positivity into this new term as we continue our journey of learning, growth, and achievement together.

Hari Raya Aidilfitri Celebration - A Night to Remember

On 12 April 2025, our school came alive with the joyous spirit of Hari Raya Aidilfitri. Students enthusiastically took part in traditional activities such as batik mencanting, sampul raya making, and weaving, alongside fun-filled elements like a lively Raya quiz and a nostalgic photobooth. The evening unfolded with an elegant opening ceremony and a mesmerising Gamelan performance by SASER, followed by heartwarming cultural dances and pantun presentations by our talented students from Preschool to Secondary. Congratulations to all winners of the creative competitions and the class decoration contest. The celebration culminated in a dazzling fireworks display that lit up the night sky, symbolising the unity, vibrancy, and joy within the Zenith community. Thank you to everyone who contributed to making the event a truly meaningful and memorable celebration. Selamat Hari Raya Aidilfitri! Maaf Zahir & Batin.

Dear Zenith Secondary Community,

MSSD Seremban 1 Cross Country 2025 – Our Athletes, Our Pride!

On 17 April 2025, our dedicated Zenith athletes laced up their shoes and took on the challenge of the MSSD Seremban 1 Cross Country Championship with heart and determination. Competing among over 600 runners across multiple categories – Under 18, Under 15, and Under 12 – our students ran with resilience and embodied the Zenith spirit throughout the event. Despite the tough competition, their persistence, teamwork, and sportsmanship stood out. Congratulations to each and every athlete who represented Zenith with pride. You've set a powerful example for all of us, and we applaud your unwavering grit and commitment. The journey doesn't end here—this is only the beginning of greater achievements to come!

A Taste of the Culinary World – Le Cordon Bleu Alumni Demonstration

On Friday, 18 April 2025, our Year 9 and 10 students were treated to a special culinary experience right here at Zenith International School. We had the honour of hosting a demonstration by a distinguished Le Cordon Bleu alumni who brought the art of culinary excellence to life. Students were enthralled as they witnessed professional techniques in action and learned about the diverse career paths in the world of food, hospitality, and entrepreneurship. It was an inspiring afternoon that opened their eyes to global opportunities and the dedication behind the culinary craft. We are grateful for the opportunity to offer our students such real-world insights and look forward to many more industry engagement events that ignite curiosity and passion.

Champion Alert – Sanjeev Christiansen Shines in Muay Thai

We are thrilled to announce that Sanjeev Christiansen has made us proud once again by emerging as the Champion at the Jengking Muay Thai Championship 9.0, held on 27 April 2025. HCGE Assembly Highlight: Radioactive Pollution Awareness

In April's HCGE Assembly, our Year 3 students, Raphael Gavin Pendor and Ethan Goh Chun Kit, gave an engaging presentation on radioactive pollution. MESSAGE FROM OUR PRESCHOOL HEAD **MS UMMA MAHESWARY**

Dear Zenith International Preschool Community,

Zenith International Preschool - Early Science Class Adventure!

This month, our preschoolers embarked on a fascinating science adventure with the topic "Absorption & The Magical Rainbow Bridge." During the hands-on experiment, "Watch Water Walk and Colors Mix!" the children experienced the wonder of water defying gravity to create a rainbow bridge between cups. By using colored water, paper towels, and cups, the little scientists observed how water moves through the paper towels (absorption), mixes colors, and forms a beautiful, vibrant rainbow. The joy and excitement in their faces as they saw this magical transformation was a sight to behold. This experiment not only sparked their curiosity but also introduced them to important scientific concepts such as capillary action, color mixing, and keen observation. Learning truly becomes magical at Zenith!

Little Hands, Big Hearts for Earth!

Our preschoolers also celebrated Earth Day with a series of fun and meaningful activities aimed at teaching them how to take care of our planet. Through creative projects and simple eco-friendly habits, they learned the importance of keeping our Earth clean and green. It's heartwarming to see our little ones take on the responsibility of being Earth's protectors, and we're proud to nurture a generation that loves and cares for Mother Earth.

Preparing for the Big Performance!

Our preschoolers are working hard and practicing diligently for the upcoming concert. We can't wait to see their creativity and enthusiasm shine on stage, and we're sure it's going to be a memorable event for everyone. We look forward to seeing you there!

Best regards,

Ms. Uma
