MESSAGE FROM OUR SECONDARY HEAD MS OMPRETA FLORA FRANCIS

Dear Zenith Community,

CCA Spotlights - Learning Through Play, Precision & Practice

In May, our CCAs offered students diverse opportunities to grow through engaging, hands-on experiences. The Maths Olympiad Club explored strategy and teamwork through the board game CATAN, while the Science Olympiad Club tackled engineering challenges with stick-based structures. In Robotics, students built LED chaser circuits and experimented with IR sensors and Arduino boards, strengthening both creativity and technical skills. On the sports front, Hockey players trained and competed in 7-a-side matches, swimmers advanced through skill-based drills, and archers tested their focus in the Target Challenge. Each session fostered critical thinking, resilience, and collaboration in a fun and meaningful way.

Zenith Pride - National Achievements in Sports

We are incredibly proud of Low Yong Hin, who represented Zenith brilliantly in two national Taekwondo competitions! At the Kejohanan Taekwondo Remaja Kebangsaan MKTA-DBKL, he won a Silver Medal in sparring, and earlier this month at the 2nd Selangor Championship 2025, he clinched Gold, improving on last year's Bronze. A big congratulations to Yong Hin – your dedication is truly inspiring!

Science Stars Shine Bright - Vanda Olympiad Winners

Our young scientists amazed us at the Vanda Science Olympiad 2025! With students from Grades 3 to 10 achieving Gold, Silver, Bronze, and Honorable Mentions, this success reflects their critical thinking and love for inquiry. Whether it was Grade 4's Pranav winning Gold or the impressive medal haul in Grades 7 and 8, every achievement counts. Well done to all our science achievers – keep asking bold questions and exploring with curiosity!

An Exciting Journey Awaits - Secondary

We're thrilled to launch the upcoming 2D1N Excursion to Malacca and LEGOLAND Malaysia, happening on 23-24 June 2025! The cultural vibrancy of Jonker Street awaits too! Don't forget – registration closes on 10 June. Let the countdown to fun begin!

HCGE Highlights - Forgiveness in Action

Our Value of the Week spotlight shone on Abigail from 7 Edison, who delivered a moving speech on forgiveness. Her words reminded us that forgiveness is a courageous act of empathy and strength. Abigail's message resonated deeply, helping us reflect on the importance of compassion in building a more united community.

As always, I am proud of every student and staff member who continues to bring our vision to life through learning, leadership, and love for what they do. Let's keep the momentum going into June!

Warm regards,
Ms. Ompreta

MESSAGE FROM OUR PRIMARY HEAD MS NOOR LEILAH

Dear Parents and Students,

HCGE Assembly Highlights: Earth Awareness in Action

This May, our HCGE assemblies featured inspiring talks by our young environmental advocates. Year 5 students Marcus and Rowan shared insightful messages on ozone depletion, explaining how we can protect the ozone layer through eco-friendly habits. Earlier, Year 6's Aiden raised awareness about light pollution, encouraging mindful energy use at home and school. Our Year 2 students, Pritieka and Amirtanjali, also spoke passionately about pollution's causes and effects, reminding us all to take small but meaningful steps to care for our planet.

Celebrating Math Excellence: From Local to Global

We are proud to congratulate Cayla Seow Shim Eun for earning a Bronze Award in the GMEC Preliminary round and qualifying for the international final in Hong Kong this August. Alongside Cayla, other talented students including Wong Kai Heng, Wong Kai Han, and Lim Chen Tze have qualified for the AIMO Final in Tokyo, Japan. Their achievements highlight the outstanding math talent within our community and we look forward to cheering them on as they compete internationally.

Our Year 3 and 4 students have been energizing their PE sessions with a variety of fun and challenging activities such as jumping jacks, partner sit-ups, push-up training, and dynamic games that build strength, coordination, and teamwork.
