Greetings Zenith community!

Greetings Zenith community! As we conclude another meaningful month at Zenith International School, I am pleased to share some key highlights from our vibrant November activities.

Deepavali Celebration 2025

Our Deepavali Celebration on 8 November was a colourful and joy-filled evening featuring cultural performances, creative activity stations, and student competitions that reflected our theme, "Diversity Shines in Every Light." The event began with the lighting of the Kuthuvilakku and concluded with a stunning fireworks display. Thank you to our students, teachers, parents, staff, and generous sponsors for making it a memorable night of unity and celebration.

University Fair 2025

Held on 14 November, our University Fair brought together representatives from 18 universities and institutions, giving our Year 8 to Year 11 students valuable insights into academic pathways, scholarships, and future careers. Students engaged actively with thoughtful questions, making the event both informative and impactful. Special thanks to all participating institutions and to Edu Quest's Mr. Tham for supporting this successful event.

Zenith at SJKC Tung Hua

On 12 November, our leadership team conducted an inspiring "Know Yourself" session with the Year 4 and 5 pupils of SJKC Tung Hua, guiding them to recognise their strengths and develop self-awareness. MESSAGE FROM OUR PRESCHOOL HEAD MS UMMA MAHESWARY

Dear Zenith Preschool Families,

November has been a month filled with joy, discovery, and meaningful learning experiences for our young learners. I am delighted to share some of the wonderful highlights from our Preschool community.

Preschool Children's Day & Odd Socks Day - Post-Event Highlights

On 17 November, our Preschool children enjoyed a vibrant and joy-filled celebration in honour of Children's Day and Odd Socks Day. The day was made memorable with creative Popcorn Children's Day Art and Craft, an exciting Popping Popcorn Activity where children watched popcorn come to life, and a cosy Movie Time experience complete with personalised "seat tickets." It was heartwarming to see our little ones smiling, laughing, and creating special memories together. A sincere thank you to our teachers and parents for helping make this celebration meaningful and unforgettable.

Learning Science Through Play - Sink or Float Experiment Day

Our young explorers had a delightful hands-on science experience as they experimented with everyday objects to discover what sinks and what floats. Through prediction, testing, and lots of curious giggles, children engaged in meaningful play that strengthened early scientific thinking and sparked their natural curiosity. It was a wonderful way to nurture problem-solving skills and foster a love for learning through exploration.

Upcoming Event: Christmas Celebration - 19 December

Festive excitement is already in the air as our Preschoolers prepare for the upcoming Christmas Celebration on 19 December. Classrooms are being decorated with cheerful ornaments and colourful displays, building anticipation for a joyful day filled with celebration, creativity, and holiday spirit. We look forward to a memorable year-end event with our little stars.

Thank you, dear parents, for your continuous support in making our Preschool a warm and vibrant learning community. Together, we create beautiful moments that shape the early years of our children.

Warm regards,
Ms. Uma
