MESSAGE FROM OUR EXECUTIVE PRINCIPAL

DR INDERJEET SINGH SIDHU

Dear Zenith International School Community,

As we embrace the month of October, I want to take a moment to reflect on the wonderful achievements and activities that have brought our school community closer together. At Zenith International School, we believe that friendship is at the heart of building strong communities, and this month's focus on friendship has been an inspiring reminder of how essential it is to foster kindness, connection, and mutual support among students.

HCGE Assembly Spotlight: Friendship in Focus!

This month, our students took the stage as part of our Humanity, Character, Globalism, Education (HCGE) program, sharing their thoughts on the importance of friendship. It was a powerful and uplifting assembly that reminded us all how vital it is to cultivate positive relationships. Here are a few highlights from our young speakers:

- Tuah (5N): What Is Friendship
- Tey Jared (5N): How to Be a Good Friend
- Isrinah (4E) & Pranav (4N): The importance of being optimistic
- Makayla (3E) & Yavna (3N): The value of punctuality in friendship

We are incredibly proud of our students for their thoughtful presentations, and it's heartening to see their understanding of such an important topic.

Basketball & Football Academy: Aiming for Excellence

Our Basketball and Football Academies continue to train hard every Thursday and Friday without fail. It's fantastic to see the dedication of both primary and secondary students as they hone their skills and improve their game. These sessions are open to all, and we encourage more students to join these growing academies!

Secondary CCA Sports & Clubs: Developing Talents

Our Secondary Co-Curricular Activities (CCA) for sports and clubs are in full swing, and it's been a joy to witness the growth and development of our students in these areas. Whether it's sportsmanship, teamwork, or leadership, our students are gaining invaluable life skills that will serve them well in the future.

Primary Sports & Health Education: Active and Energised

In the Primary School, our students are going from theory to practice in their Sport & Health Education sessions. They've been mastering a range of exercises designed to enhance motor skills, coordination, and endurance. It's fantastic to see our young learners not only excelling academically but also leading active and healthy lifestyles.

Health and Safety: Vaccination Drive Success

A huge shoutout to the incredible team from KKM Seremban 2 for their kindness, patience, and dedication in vaccinating our students. From tetanus, HPV, and diphtheria vaccinations to running health checks for our 6-year-olds, their efforts have ensured that our school community remains safe and healthy. We deeply appreciate everything you've done for us!

This month has been filled with growth, learning, and collaboration. We are excited to see what the next month holds for our amazing Zenith community!

Warm regards,

Dr. Inderjeet Singh Sidhu

ZIS Charity Fundraising Carnival 2024 – A Huge Success!

Our annual Charity Fundraising Carnival, held on the 5th of October 2024, was a phenomenal success! The energy and enthusiasm from everyone who attended were truly heartwarming. With food trucks offering mouth-watering treats, exciting games, creative crafts, and unique merchandise, the carnival was buzzing with excitement.

A special thank you to our CCA club students for their active participation in setting up and running the booths, and a huge congratulations to our Year 10 and 11 students for the spine-chilling Haunted House booth—you made it a standout attraction! The carnival also featured captivating exhibitions and thrilling performances from A3 Pro Fitness, Unity Dance Academy, and SJKC Tung Hua, as well as incredible dance and musical performances from our very own talented students.

We are deeply grateful to all the families, friends, and supporters who helped make this event possible. Your generosity and spirit made the day truly unforgettable!

Exciting Visit from ILOVEREADING Singapore

This month, we had the pleasure of welcoming representatives from ILOVEREADING, a Singapore-based publisher known for their outstanding educational magazines. We were thrilled to learn that some of their publications were finalists for Best Educational Title at the Singapore Book Awards, with their "Inspire" magazine winning Best Educational Title for 2024! At ZIS, we are exploring how these publications can further enhance learning for both our students and teachers. We are also in discussions regarding potential future collaborations—stay tuned for exciting updates as we continue to bring the best resources to our school community!

Leadership Development: Prefects Selection Process

Our Disciplinary Board has been hard at work this month as we continue the process of selecting new prefects for the school. Through nominations, screenings, interviews, and final selections by our board members, we are identifying and training future leaders within our student body. We are excited to see these students take on leadership roles and develop skills that will serve them well both in and out of school.

MESSAGE FROM OUR PRESCHOOL HEAD MS UMMA MAHESWARY

Dear Zenith International School Community,

October has been an exciting and dynamic month for our little learners! We continue to focus on creating a balanced learning environment that nurtures both academic growth and physical development.

Out of Class English Lessons at the Playground

This month, we took learning outside the classroom for our English lessons! The children enjoyed engaging activities at the playground, where they expanded their vocabulary and practiced language skills in a fun, interactive setting. It's wonderful to see them so enthusiastic about learning in the great outdoors!

Focusing on Sports and Motor Skills Development

In addition to academic progress, we emphasize the importance of physical development through sports activities designed to improve motor skills and coordination. Our preschoolers have been participating in various exercises, helping them grow stronger while having lots of fun! We believe in fostering a holistic approach to learning, and physical activity is a key part of their growth.

Halloween Celebration – Treat or Trick!

On 25th October, we had a spook-tacular Halloween celebration with plenty of "treat or tricks"! The children came dressed in creative costumes, and the day was filled with fun games, activities, and, of course, lots of treats! It was a fantastic way to end the month, filled with laughter and joy.
